

“PALMS UP” DMV!

It's time to change lives!!!

Healthy DMV “CV-19” Rescue

Calling all Advocates! We need partners!

The Corona Virus & Covid-19 restrictions are crippling our communities daily.

We need to establish strong community supports to aid in the rescue of individuals & families who are in need of ongoing resources and mental health support during this pandemic.

Calling all partners! It's time to coordinate our efforts. We're building a network of readily available food & clothing items, job/career trainings, prayer & companion services, drug & alcohol rehabilitative supports, distribution & classroom locations, housing & homeless solutions, case management, corporate giving, hygienic & survival kit distributions, you name it! Palms Up DMV! It's time to save lives!

The proposed implementation of this platform is to keep the D.M.V. jurisdictions, and beyond, updated on the aforementioned issues and concerns. It will be facilitated as a weekly livestream broadcast from the studios of UBroadcast Media. The broadcast format will be a panel discussion that will speak to current affairs, topical and community-based issues. Civic and political leaders will be scheduled guest and contributors to the broadcast via Zoom, social media platforms, pre-recorded media, or in studio.

Sponsorship & advertising opportunities are available now! For more info. www.healthydcandme.org

First show airs December 30th, 2020 @ 7 P.M. Mark your calendars & let’s get to work D.M.V.! Our community needs us!!!
